

Appendix L: Stakeholder Group List

The project team engaged local experts through public meetings, workshops, guided discussions, personal interviews, and site visits. The team also worked with asset managers, civic leaders, elected officials, and representatives from agencies and special interest groups to collect information and feedback. This information augmented scientific and archival information to provide a more comprehensive perspective on sea level rise vulnerability in San Mateo County. The stakeholders involved to-date are in the following list.

Stakeholder Group List
